### **Item Discussions**

- Youth Room
  - Sink has a switch that needs replacing in order for it to work. Part has been ordered. Also, a screen for the sink has been ordered. All the music instruments that were out in the room have been moved to make more room available.
- Choir Room
  - The smell in the room still has not been found. It was decided to call Servpro and since they couldn't find anything, we are checking into finding someone to clean out the ducts.
- Security Needs
  - Items that were requested by Todd Avery were purchased for him to be able to make the Church as secure possible.

- Cleaning Service
  - Ryan is waiting for a quote. We are now paying \$250.00/weekly and are not happy with the service.
- Table Replacements
  - Jeff Wood will be seeing Ryan Thursday about a plan, and George will check with someone he knows who has replaced theirs.
- Spring Cleaning
  - It was suggested that the Church get feedback from the Congregation about possible dates, and what they can do to help. Several projects like the gym floors not being waxed or the office windows. Neither have been taken care of in years.
- Building Window Repair/Replacements
  - We reviewed several banks of windows that are still in need of repair and investigating more to set priorities.
